0:03 Programme Director Geraldene Chaplog-Louw [2024/25 MLPORA Vice Chair] apologised for late start and made some opening remarks calling for respectful and open engagement without impairing any ones dignity and thereby avoid last years rancor.

Regarding the 2024 AGM minutes we must firstly acknowledge that following the unpleasantness that transpired, we had to review this that and the other which then was corrected before we finalized it for circulation and posting on the website.

So perhaps someone in a show of hands can propose that we can accept them but if there are any particular questions, you may note them as well.

Please can we put up the agenda for all to see and follow where we are in the proceeding of this meeting.

Ladies and gentlemen, any questions regarding the 2024 AGM minutes? Can we ask that we have a show of hands? Maybe somebody can propose adoption with somebody to second please. OK, thanks I think they are accepted but I do need to say the names of the gentleman that proposed ...Belichick, and the one seconded Sorry, ok Robert. Thank you very much everybody.

Nico, sorry I did not ask for approval of the 2023 AGM minutes. It was clear if in fact they were approved last AGM so perhaps Can we just reflect about that? Is there overall agreement in this regard. OK. Thank you very much ladies and gentlemen.

We now go to the Executive Committee's operational report.

We will post this on to the website after this, but we will make sure to also publish it on to our WhatsApp channels as it will be more easily accessible through MLPORA WhatsApp channels for ease ESOP of reference.
